

July 29, 2020

We are excited to announce that registration for Fall CYO sports at St Aloysius is now OPEN! Our diocese, parish, school and athletic directors have been working diligently to put plans into place so we can allow our children to enjoy their fall sports safely during this very uncertain time. While this season will look much different than seasons prior, we are hopeful that the children will be able to enjoy their sports and friends! At this time, we need to find out who would like to participate in Fall CYO sports in order to prepare our gym time, coaches and follow through with all safety precautions. We will not be collecting money at this time.

Pending all of the Governor and Health Departments orders, we will share all events as soon as we receive word. Coaches certifications will be happening IN PERSON over the next month. We all find it important to set the example of masking and social distancing as adults before we throw our children into the mix. If you would like to coach, please reach out to [binkfam6@gmail.com](mailto:binkfam6@gmail.com) or [stmaesmith@hotmail.com](mailto:stmaesmith@hotmail.com). We will also need volunteers to provide sanitization for various items. Please let us know if you are willing to assist and we will provide you with details. As always, please feel free to reach out to myself or Stephanie with any questions or concerns.

Over the next couple weeks, we will be in communication with you with more details regarding which safety precautions will be taken and what you can expect moving forward. We thank you in advance for your patience and prayers as we navigate this time together.

GO LIONS!

Tracy Binkowski & Stephanie Fecht

St Aloysius CYO Athletic Directors
